OFFICE OF THE SECRETARY

Dear Chief Milton Gross.

I understand that you are tracking the comments received with regard to the Matt Noah ads of fetus/exaggerated heart beats shown in Colorado. Please add the six members of our family (both genders, different generations, different political persuasions) to your list of UTTERLY DISGUSTED citizens. We are shocked that such material would be broadcast, especially during family hours, which at least some Denver stations attempted to avoid, but could not under current rules.

The FCC guidelines are clearly inadequate in dealing with material in such poor taste. I urge you to begin the revision process as soon as possible. Thank you for your consideration.

Sincerely,

Myra W. Isenhardt
